

Leggett & Platt's modern design of its signature Calico Classic® standard, Calico Pocket delivers high-quality and efficiency with a level of tradition.

- **Dual Options** – Choose between standard barrel-shaped coil geometry, automated and side-glued; and a clipped, cylindrical coil which is hand-assembled.
- **Premium Quality** – Fine-quality, cotton calico pocket springs manufactured on advanced, purpose-built technology.
- **Traditional Value** – Create a compelling comfort story based on the tradition of cotton calico pocketed innersprings.
- **Reassuring Performance** – Pocket innersprings isolate motion transfer to reduce partner disturbance and eliminate roll-together.
- **Quality Steel** – Leggett & Platt draws its own wire to ensure quality-controlled steel in every spring.

Fine-quality, cylindrical and clipped Calico Pocket springs
