BeddingComponents-Intl.com

Leggett & Platt is a leading value-added service provider in compressed mattress supply – producing finished hybrid mattress solutions for this market segment.

- **Customised Solutions** – Compressed mattresses will be manufactured in accordance to our customers' final specifications and labelled with their brand name.
- **Availability** – Finished solutions are available to customers where a strategic benefit to both parties exists.
- **Stress-Relieved Wire** – Holds its shape and provides a durable, consistent sleep surface.
- **Quality Steel** – Leggett & Platt produces its own wire to ensure quality-controlled steel in every spring.
- **Packable and Shippable** – Compressed, folded, rolled, and available from our facility on an ex-works basis or drop-shipped to the location of the customer's choosing.
