

FOAM-ENCASED

Innerspring Systems

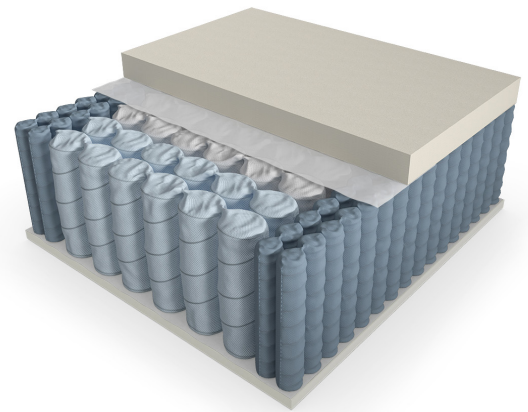

Leggett & Platt®

BeddingComponents-Intl.com

Leggett & Platt's foam-encased innerspring systems combine innerspring and foam delivery, reducing transportation, warehousing, and inventory costs – the perfect way to increase efficiency and grow your profits.

- **Cost Saving** – Reduces product and material handling, manufacturing costs, and administration requirements.
- **Customised Solutions** – Fully interchangeable with polyurethane foam and latex block systems, allowing market penetration opportunities.
- **Comfort and Support** – Incorporates all the comfort and support characteristics of the chosen innerspring system.
- **Quality Steel** – Leggett & Platt draws its own wire to ensure quality-controlled steel in every spring.
- **Packable and Shippable** – Can be compressed, folded, and rolled.

Finished or semi-finished **ActivEdge®** mattress cores are available too, including Caliber Edge®, Quantum Edge®, and Quantum Edge® Elite.
